

Global Animal Health and Working in Development Workshop

October 15, 11 am-8:30 pm EDT

Dr. Corrie Brown
University of Georgia U.S. Army Public Health Center

Dr. Tony Alves

Dr. Tanja Zabka
Genentech Inc.

Topics:

- The World Organisation for Animal Health (OIE) and why you need to explore this huge repository of information before you buy your ticket!
- Intercultural Communication Competence – how to measure what you have and enabling the bridging of gaps
- Working through interpreters – how to avoid the pitfalls
- Internet resources for more fully understanding the role of agriculture and livestock in your destination country
- Adult Learning – conducting training in a non-powerpoint environment for enhanced connection and learning
- Measuring the sustainability of your efforts

-This seminar is preapproved by the ACVP Maintenance of Certification (MOC) Committee for 4 credits
-This program has been submitted (but is not yet approved) for 8 hours of continuing education credit in jurisdictions that recognize RACE approval.

Registration is free but required:
