

VETERINARIAN 2 (CAREER PATHOLOGIST)

UC DAVIS
UNIVERSITY OF CALIFORNIA

Under general direction provide timely diagnostic pathology services, including necropsy and histopathology, as required for mammalian and avian specimens with emphasis on disease diagnosis. Provide consultation, advice and guidance to veterinarians and producers regarding equine, livestock, avian and wildlife disease diagnosis, control and prevention.

Minimum Qualifications:

- Board certification or eligibility for board certification by the American College of Veterinary Pathologists (ACVP) or European College of Veterinary Pathologists (ECVP) required. If not ACVP certified, board certification will be required within three years of the date of initial hire.
- Skill operating microscopes, necropsy equipment (e.g., mechanical hoist, bandsaw, Stryker saw, incinerator, surgical & necropsy instruments), computer, laboratory equipment (e.g., biosafety cabinet, pH meters, electronic scales).
- Knowledge and skills to apply existing theory and research findings to define unusual and complex problems, handle sensitive inquiries and confidentiality with animal owners and veterinarians.
- Ability to respond appropriately in emergency duties, e.g. suspected foreign animal diseases or diseases that impact public health.
- Knowledge and skills to dispose of hazardous and contaminated materials in a safe manner and in accordance with campus and EH&S policies and procedures.
- Interpersonal skills to interact with a wide variety of individuals including co-workers, clients of CAHFS, and other University units, outside and government agencies.
- Skills in computer data entry and related software applications.

Preferred Qualifications:

- ACVP/ECVP Board Certification.
- Veterinary diagnostic pathology experience.
- Familiarity with all aspects of the quality system documentation and implementing, complying with them in daily work. This includes the Quality Manual, System wide Documents and local policies and procedures.

Special Requirements:

The University of California has implemented a SARS-CoV-2 (COVID-19) Vaccination Program SARS-CoV-2 Vaccination Policy (ucop.edu) covering all employees. To be compliant with the policy, employees must submit proof of vaccination or a University-approved exception or deferral.

Background Check

This position is a critical position and subject to a background check. Employment is contingent upon successful completion of background investigation including criminal history and identity checks.

No Smoking

UC Davis is a smoke and tobacco free campus effective January 1, 2014. Smoking, the use of smokeless tobacco products, and the use of unregulated nicotine products (e-cigarettes) will be strictly prohibited on any UC Davis owned or leased property, indoors and outdoors, including parking lots and residential space.
