VETERINARY MEDICAL DIAGNOSTIC LABORATORY

COLLEGE *of* VETERINARY MEDICINE

ASSISTANT OR ASSOCIATE CLINICAL PROFESSOR Anatomic Pathology (NTT)

The Veterinary Medical Diagnostic Laboratory (VMDL), Department of Veterinary Pathobiology, College of Veterinary Medicine at University of Missouri is seeking a qualified candidate for an anatomic pathology position. This full-time faculty appointment will be hired at the level of either NTT Assistant or Associate Clinical Professor. Academic rank will be commensurate with experience qualifications and career aspirations. The VMDL is the only full-service veterinary diagnostic laboratory accredited by the American Association of Veterinary Laboratory Diagnosticians in the state of Missouri. The VMDL is a Level I Lab of the National Animal Health Laboratory Network and Tier I Lab of FDA Veterinary Laboratory Investigation and Response Network (Vet-LIRN). The VMDL is composed of eight diagnostic service sections: anatomic pathology, avian pathology, bacteriology, clinical pathology, histopathology/immunohistochemistry, molecular biology, serology and toxicology. The anatomic pathology section currently has six pathologists. The successful candidate will share responsibilities in teaching of veterinary professional and graduate curricula, training residents, providing diagnostic service with the team of anatomic pathologists, participating and supporting MU research community.

Responsibilities: The successful candidate will share responsibilities in teaching of veterinary professional and graduate curricula, training residents, providing diagnostic service with the team of anatomic pathologists, participating and supporting MU research community
